

Dear First Tee Families & Friends,

The health and safety of our community of participants, volunteers and staff is our number one priority. In light of the statewide school closings and after reviewing information related to the spread of COVID-19 from the Ohio Department of Health, as well as the Centers for Disease Control (CDC), we deem it best to err on the side of caution.

Effective immediately, we have made the following changes to our spring class schedule:

- **TopGolf Field Trip** – This trip has been postponed.
- **Blacklick Woods Metro Park Golf Course** – Postponed – a revised schedule will be announced.
- **Heritage Golf Club** – Postponed until April 4
- **Oakhaven Golf Club** – No change at this time
- **Girls Golf at Blacklick** – No change at this time

Like many of you, we are listening to updates and making adjustments as new information becomes available. We appreciate your understanding and flexibility as we navigate this unpredictable situation. If you have any questions, please reply to this email.

If you are a parent or caretaker for one of our First Tee participants, thank you for trusting us with the safety, health, and well-being of your child. We will continue to take steps to keep all participants as safe as possible. For all of our other stakeholders, thank you for investing your time, talent, and treasure to allow us to serve our community through our youth development programs. We are fortunate to have you as a member of our First Tee of Central Ohio Family!

In good health,

Cheri Jenkins
Executive Director
