

---

While we closely monitor the situation and listen to the guidance of our Governor and the Ohio Department of Health, we want to keep you, our families, up to date on all the things we are doing during the COVID-19 shutdown.

At this time, we are still under the decision to postpone all of our spring programming until we can accurately set a new schedule, in cooperation with all government guidelines.

We thank you for your cooperation and encourage you to respond to this email should you have any further questions!
